TENNIS TEAM CHOSEN; SQUAD OF TWENTY

Regular Practice Will Begin on
Dumbarton Courts by Apr. 4.

MATCH WITH COLUMBIA.

Skill in Doubles to be Taken Into Consideration in Picking Final Combination.

From a squad of 20 candidates, Coach Miller has selected ten of the most likely men for the positions on the team. The selection is based on past performances and known ability. A system of challenges has been arranged whereby any candidate not listed and any player who is listed may challenge any three men above him. These matches are to be played on or after April 4th, and the results signed by both contestants and handed to the coach immediately.

Following are the ten players:
Van Ende, Ballinger, White, Law, Klopsch, Aten, Rutley, Buchanan, Boyd, Meyers.

Van Ende won the tournament held last fall among the candidates of the team, and Law was the runner-up. Rutley, Ballinger, and Boyd were members of last year's team, and Aten was a G. W. racketeer two years ago. There is some question as to White's eligibility, and he may be removed from the above selection.

Regular practice starts April 4th, on the Dumbarton Club courts, but several of the courts have been gone over and two practices are to be held before then. One is scheduled for this afternoon, and the other on the morning of April 2nd.

Coach Miller has many capable men from which to pick a winning combination, and prospects for a successful season look very bright. G. W.'s representative team will be composed of four to eight players, and these will not necessarily be selected as to highest ranking single ability, but skill in playing in doubles will also be taken into account. Manager Viens has arranged an excellent schedule of some of the best college teams, the first match being with Columbia on April 24, and many first-rate combinations following.

W. U. C. ELECTIONS WILL BE HELD THURSDAY, APR. 5

The Executive Committee of W. U. C. announces the following nominations:

President, Tera Lawrence, Anne Hof; first vice president, Mary Quick, Alice Hyle; second vice president, Maxine Rolle, Kitty Hough; secretary, Aseneth Johnson, Billie Cass; treasurer, Ruth Williams, June Cooper.

Elections will be held in the W. U. C. rooms, 2027 G Street, Thursday, April 5, at 8 o'clock. Only those who have paid their full yearly dues of fifty cents are eligible to vote or hold offices. Dues must be paid to the secretary, Anne Hof, 1831 Belmont Road, before April 3. In case a member feels she has paid her dues and has been notified to the contrary, she should confer with the secretary before April 3.

GIRLS' GLEE CLUB WILL GIVE ANNUAL CONCERT

The Girls' Glee Club will hold its annual concert Tuesday evening, April 10, at 8 o'clock, at Epiphany Hall, on G Street, between Thirteenth and Fourteenth. Admission will be fifty cents.

Mrs. Swett is directing the Girls' Glee Club this year.

INTERFRATERNITY PROM

The committee in charge of the Interfraternity Prom have announced that there will be but a limited number of tickets on sale, that number not to exceed one hundred and seventy-five, these divided proportionately among the different fraternities that are members of the Interfraternity Council. The price as fixed is four dollars (\$4.00) per couple, and no person not in possession of a ticket will be admitted to the dance, as no money will be accepted at the door. Each fraternity delegate is now in possession of his fraternity's allotment.

The basketball championship cup, won by Delta Tau Delta, will be presented to the captain of that winning team. If possible the winning team in the bowling league will be presented with their trophy on this occasion.

HONOR CONSTITUTION ACCEPTED BY FACULTY

Final Action Will be Taken by Vote of Student Body.

At the meeting of the faculty of the School of Arts and Sciences on Tuesday afternoon, Professor Croissant, chairman of the Honor Committee, presented the honor constitution. The proposed constitution was accepted and the following recommendations adopted:

"First, that the faculty approve this constitution as to content and for submission to student vote, but that final approval as to its being put into practice be reserved until after the vote of the students is known.

"Second, that when the vote is taken through the Registrar's Office, a record be made of each student's vote, so that it may be possible to check the results and to take such steps as may be desirable to get expression from each student in attendance."

GATE AND KEY SOCIETY HONORS ELEVEN MEN

Men Elected on Basis of Work Done in Activities—Officers Elected April 12.

At a recent meeting of the "Gate and Key" Honor Society, eleven undergraduates were elected to membership. The list includes: John Wright, John I. Glass, F. C. Bradley, Clarence W. Gosnell, William Hamilton, George W. Pryor, Eugene S. Thomas, Charles E. St. John, Ralph Wallace, and John Brombaugh.

The candidates will be initiated on Thursday evening, April 12th, which time will also be the occasion of the annual election of officers of the fraternity.

The society is formed upon principles and purposes that are in no way to interfere nor usurp any prerogatives of any other organization in the University. It is patterned after similar organizations in other universities, and among other objects, has for its purposes the fostering of good feeling among the fraternities, and to foster all university activities.

BASKETBALL TEAM NOW HAVE THEIR SWEATERS

Last Monday evening at the Restaurant Medrillon, the basketball players of George Washington were awarded dark blue sweaters, each bearing on the front the buff insignia of the University awards. Captain Jack Dally was master of ceremonies, while Francis Brown was entrusted with the proper delivery of the sweaters to their rightful owners.

Seven men have been awarded letters in basketball this year. They are Jack Dally, captain; Edwin S. Bettelheim, Jr., manager; Clarence W. Gosnell; Alfred Goldstein; Francis W. Brown; Otto Z. Klopsch; and Lawrence K. Hyde.

DELTA TAU DELTA WINS BASKETBALL TOURNEY

Last Friday night the Greek War was renewed when Delta Tau Delta, winners of League B, cleaned up Phi Sigma Kappa, winners of League A, and annexed the cup for 1923—28 to 17. Shades of Leonidas, how those Phi Sigs fought, but like the Spartans at Thermopylae they saw too many Deltas on the floor.

Newby and Mooney looked like big leaguers in the back court holding the Phi Sigs to three pot shots, while Davis and Nichols rang the netting nine times for the Deltas. Klopsch, the varsity forward put up a great game for Phi Sigma Kappa and was well assisted by Rutley, but the Delta defense was too much for them.

RING DESIGN CHOSEN

The Senior Class Ring Committee has decided on a design. It is of 10 carat gold, with a blue stone. The ring will cost \$15.50 plus 5 per cent tax. A \$3 deposit will be required on each order.

In order to obtain the rings before examinations the order must be in before April 4. No orders can be taken after that date, so every Senior is urged to place his order immediately.

Francis Foster, Joe Palmer, and Ray Curran will be glad to show you sketches of the ring, and take your order. Mail orders will be received by Ray Curran, 1754 N Street N. W.

NEW PUBLICATION WILL COME OUT ON APRIL 13

Sponsored by Girls' Journalistic Fraternity—To Be Devoted to Feminine Interests.

WILL APPEAR ANNUALLY

First Sale at Midnight at Pan Hellenic Dance—Price Ten Cents.

Gamma Eta Zeta, the Woman's Journalistic Fraternity of George Washington University, has announced that it will bring out in the near future a new annual publication. The Petticoat, as it is to be called, is to be published by the girls of the University who have been active on the publication staffs, and is to be written chiefly for the girls.

The size of the new sheet is to be about the same as that of the Razz Berry, but will not be of the same riotous color. The editors, of course, will not be announced. Like the Razz Berry, the Petticoat will have for its purpose the uncovering of the University scandals, and the dragging out of the University skeletons from their closets.

An enterprise on the order of this one, has never before been attempted by any girls' organization in the University, and for that reason is expected to gain much interest. The success of the undertaking will play no little part in placing George Washington on a level with the other American Universities who have been taking an increased interest in their publications.

Mary Brown, president of Gamma Eta Zeta, announces that the new publication will be ready for the student body on Friday, the thirteenth of April. It will make its first appearance at the Pan-Hellenic dance. On the stroke of twelve the paper will begin to be sold. Those who are not attending the dance will have a chance to buy their papers on the next day.

FINAL CAST CHOSEN FOR G. W. U. SPRING PLAY

Meeting Will Be Held Next Wednesday to Arrange Final Details.

The final casts for the three one-act plays which are to constitute the annual spring presentation of the G. W. players have been chosen. The date of the play has not yet been fixed.

The plays which will be given are "Suppressed Desires," "Moonshine," and "Where but in America." Competition for the places on the casts has been unusually keen this year, and as a consequence there have been several try-outs.

At the meeting to be held next Wednesday in Lisner Hall, the remaining details will be decided. The casts are as follows:

For "Suppressed Desires": Henrietta Brewster, Beatrice Henning; Stephen Brewster, Louis Siebold; Mable, Louise Espey.

For "Moonshine": Revenue Officer, Curly Edwards; Moonshiner, Meador Wright.

For "Where but in America": Molly, Sarah Fry; Bob, James Smithwick; Hilda, Louise Bannerman.

ENGINEERS HAVE MEETING

William F. Beyers, of the Municipal Architects Office, read a paper on "The Highest Railroad in the World," at the joint meeting of the G. W. U. Architectural Club and the Student Chapter of the American Society of Civil Engineers.

The two organizations wish to take this opportunity to thank their many friends for their efforts in behalf of the lecture, and especially Mr. C. K. Yingling, Jr., vice president of the Student Chapter, for his help.

MEDIC FRAT ENTERTAINS

Phi Delta Epsilon Medical Fraternity celebrated the acquisition of its new home with a dance at the Chapter House at 1627 Massachusetts Avenue N. W., on Saturday evening, March 24. Large delegations from Johns Hopkins and the University of Maryland were entertained over the week end. Among those present were Dr. and Mrs. Spiegel of New York, Dr. and Mrs. Steinberg of Washington, and Professor Gleason of the University of Maryland.

SIX APPLICATIONS IN FOR DAVIS' SPEAKING PRIZE

Professor Griggs and Professor Colwell Named as Judges in Contest.

The Senior Davis oration will be contested the evening of April 10th, at 2023 G Street. Six applications have been submitted to Professor De Witt Croissant. These are to receive two ratings—one for form and content, and the other on the mode of delivery.

President Hodgkins will preside at the meeting. The judges chosen to decide the winning oration are Professor Griggs, instructor of botany, who has recently published "The Valley of Ten Thousand Smokes," Professor Lavery from Law School, and Professor Bolwell.

The Men's Glee Club will give a short program during the interval while the judges make the decision.

DEAN'S PORTRAIT FINISHED; EXHIBITED IN DETROIT

Dr. Brigham Has Charge of the Ticket Sales For the Portrait Fund.

Dean Wilbur's portrait is completed. After many sittings that covered a considerable period of time, but which in no wise proved tedious, Mr. Merryman, the artist, has completed the painting. It is a three-quarter length portrait of the Dean in his Litt. D. gown. The Dean is sitting with his rhetoric open on the table beside him and his cap in his lap. Mr. Merryman selected the frame for the portrait.

For the present the portrait will be exhibited in the Detroit Spring Exhibit, held annually in the Detroit Museum of Art. After the exhibit the portrait will be brought back to Washington and very probably will be placed in the Corcoran Gallery of Art until it is transferred permanently to G. W.

About the first of May photos of the portrait will be on sale. Dr. Brigham, chairman of the Wilbur Portrait Fund, will have charge of the sale of the photos. She will be assisted in her work by several students. The photos are to be of three sizes—\$1, \$2, and \$5. The pictures are to be finished in gloss, black and white and brown and white. The \$1 size is to be 8 by 10 inches, the \$2 ones large enough for an attractive frame, and the \$5 picture the largest on sale.

Mr. Merryman painted two portraits, and the first one he presented to Dean and Mrs. Wilbur as a gift.

VETERANS' BUREAU TO OFFER SUMMER TRAINING

Mr. Metcalf, of the Veterans' Bureau, has asked that those students in the University who are interested in the summer training offered by this bureau, see him immediately. The object of this summer work is to give those men who served in the World War, and who are incapacitated for their former occupations, a chance to fit themselves for useful work.

At present there are many students in the University who come in this classification. All those who are interested must see Mr. Metcalf at his office, room 146, Arlington Building, between the hours of 3.30 and 4.30. Names must be in by the end of March.

PHI SIGMA TO DANCE.

The efforts of all the members of the Phi Sigma Sorority are now centered upon their coming dance on Saturday, April 21st, at the Raleigh Hotel. The girls are very much encouraged by the way their friends in the university are cooperating with them to make this dance a success. This dance is for all George Washington students and their friends. If you have not already signified your intention to attend, ask yourself this question: Do you want to pass a sociable evening and have a good time, with Meyer Davis' Orchestra performing at its best, a nice spacious hall to dance in, and some charming girls and men to dance with? If you do, come to this dance on April 21st.

ACACIA TO BE INSTALLED

On Monday, April 2, 1923, the installation of a G. W. U. Chapter of Acacia will take place at the Travelers Fraternity House, 1715 Eye Street N. W. The installation and initiation will be followed with a banquet at the Hotel Lafayette.

Good Men

Once more Pyramid Honor Society has reviewed the students of this University and selected a new class of pledges. As in the previous election this year, the Society is to be complimented on its wise judgment.

Pyramid Honor Society stands for everything that is honorable in student activities. It is one of the oldest organizations in the school. Every student here looks forward to the day when he will be selected to join with these men who are striving to uphold the high standards of student activities.

With this in view, the society must always be careful to confer the honor of membership upon those men who have done the most to further student activities.

The men recently asked to wear the buff and blue ribbons are men who have put their time and effort toward building up and protecting the standards of this school.

Let us see these new men carry on the great work of their predecessors. George Washington University is moving toward the day when it will be one of the outstanding universities of this country. These men now have the opportunity to aid this development. If they continue to work in the future as they have in the past, this development is assured.

Be Careful

Now comes the time when the various student activities will be put under new leaders. The captains of the football and basketball teams have already been selected.

Two better men could not have been picked. They are both excellent athletes in their branches of sport. They are both thorough gentlemen. They are both good sportsmen and popular with the men that they are to lead in the contests of next year.

Mulligan as captain of the football team gained a reputation last season that would be hard to equal. Throughout all the games he showed himself to be plucky and always insisted on fair play. Under his command the 1923 football squad should have a most successful season and bring credit to this university.

Gonnell has distinguished himself as a particularly capable basketball man. Always in at the finish and quick enough to pull the team out of difficult positions, he has made himself the friend of every man on the team. Because of his long experience and great knowledge of the game, he should lead the team to victory when it goes on the floor again in 1924.

Other leaders will be selected in the near future. Those having the authority to elect these men should be very careful that they select men who will uphold the high standards of these student activities and measure up to the men that have already been

THE SPY

The Musical Show Epidemic.

To what are we indebted for the unusual procession of musical comedies with which the local theaters have been teasing and intriguing our entertainment urge?

We have been tempted by such teasers as "George White's Scandals," "The Music Box Revue," "Blossom Time," "Good Morning Dearie," and "Molly Darling," all of which have been of superb quality. We are soon to see "The Perfect Fool," "Bombo," "Greenwich Village Follies," and others of equal merit and excellence, and the remaining part of the local season will be brightened by such offerings as these.

Every musical show that has played here during this discouraging season has played to good houses. So great has been this success that the National relief on "Cinders," Ed Royce's new show, to hold the fort during Holy Week, that disastrous period which is generally greeted with dark houses. The managers seem to believe that Washington has an insatiable taste for terpsichore and jazz.

In direct contrast to these successes we have seen excellent comedies and comedy-dramas play to eight and ten rows. Examples of this can be found in "To The Ladies" and "Dulcy," both delightful comedies and well worth seeing.

Washington theater managers have watched this transpire with sad eyes, but they have learned half a lesson from it. They seem determined now to offer their patrons those plays which they are certain will draw the dollars from the glue in Washington pockets. They are persistently booking musical shows.

But they have only learned part of the lesson. High pew prices still reign supreme, and there is no sign of abdication. Certainly the managers have had indisputable evidence that low prices bring results that produce in the end greater revenue to them.

"Abie's Irish Rose," no better than many other comedies that have played here this season, drew packed houses for twelve weeks even though under the handicap of being a stock production. With one exception the company producing "Abie" has obtained a two-weeks' run for every show they have produced. They charge a dollar top and radiate properly.

Certain there is a very potent lesson to be drawn from their undeniable success. Is it not better to have packed houses at a dollar top than a

Pick Ups

Of considerable interest is the latest move of the University of Chicago in adopting a drastic program for ridding the school of athletics and social life. In an attempt to make the University of Chicago the most high-brow in the United States the faculty would cut the present enrollment one-third, and gradually drop all college athletics and social life. Difficult entrance requirements and mental tests are part of the new program.

The Teaser, the publication of the University of the city of Toledo, has decided that they want a "Mr. Gallagher and Mr. Shean" song of their own. One of the best that have been turned in is the following:

"Oh Mister Gallagher, oh Mr. Gallagher—
Have you ever been out to Toledo U?
First you ride and then you walk
For an hour by the clock.
And you're always late, no matter
what you do."

"Oh Mr. Shean, oh Mr. Shean—

With a car each way each minute
With Pullman fittings in it?"

"Absolutely, Mr. Shean."

third of a house at two dollars for orchestra? If a stock company can pack their house at this price, there is no discernable reason why those houses playing New York hits can not also pack them even at a price half again as high.

Washington will not pay high theater prices, and the sooner the managers become convinced of this fact the better for them. Until they do become convinced, we will see crowded stock houses and packed lobbies at the movies. It will be interesting to watch developments in the near future.

GAMMA ETA ZETA HONOR TEN FROM PUBLICATIONS

Dean Wilbur, Professor Croissant, and Mrs. Chace Patrons of Sorority.

Last Saturday evening at the Restaurant Madrilion, the first initiation of Gamma Eta Zeta was held, followed by a delightful banquet. Ten girls of the University were taken into the fraternity.

The purpose of Gamma Eta Zeta is to promote interest in the publications and to band together by common interests those girls who go into this form of activity. The banquet was the first of its kind held, as the fraternity is a comparatively new one.

The patrons of the initiation banquet were Dean and Mrs. Wilbur, Professor and Mrs. Croissant, and Mrs. Chace. Very interesting and profitable talks were given by Dean Wilbur, Professor Croissant, and Mrs. Chace on the different phases of journalism as practiced in college and in the city newspapers.

SPORT NOTES

Cornell won the seventeenth annual intercollegiate team wrestling championship with a total of 17 points. Penn State was second with 16 points, and Yale finished third with 13, after leading in the preliminary matches.

Navy fencers swamped the new University of Virginia team by winning thirteen straight bouts. This meet marked the close of the Midshipmen's fencing season.

C. U. has opened its 1923 baseball season, and the team will line-up as follows in the first few games: Lawler, first base; Mulville, second base; Ignace, third base; Denault, shortstop; Breslin, center field; Cummings, left field; Roddy, right field; Healy, Eberts, or Kerrigan, catcher; and Clark, May, or Kirby, pitcher.

"Charlie" Paddock, world champion sprinter, equaled the mark of twenty-one and four-fifths seconds for the 220 yard dash in a meet in which Stanford University defeated Southern California, 75 to 56.

Louis I. Doyle, former District net champion, will coach the Georgetown tennis team this year. Doyle is a close student of the game and has all the qualities of a good tutor.

Georgetown's alumni men have formed a letter club similar to the G. W. Club, and its members expect to help athletics at the Hilltop a great deal. A large gathering of men who had won their "G" in athletics attended a meeting at the City Club Monday evening, and officers of the club were elected, and plans were laid to bring several first rate college football teams to Washington.

Naval Academy's baseball team will start on a southern trip this week after playing Syracuse on their home grounds. North Carolina will be met at Wilson on March 30, and University of Richmond will be played at Richmond on the following day.

University of Pennsylvania's Relay Carnival is scheduled for April 27 and 28, and Georgetown is sending a team that is confident of coping the two-mile relay honors. Oxford University of England and some of the strongest teams in this country are to be matched against G. U.

Maryland had an easy time defeating the Baltimore Polytechnic lacrosse players, but they will find the going rather hard when they encounter the Stevens Institute "twelve" this week.

Yale's basketball and swimming teams have set a fast pace for the Blue baseball nine and crew to follow, although prospects in the two latter sports are brighter than they have been in years.

THE TEA-HOUND

Have you noticed all the new spring hats? A prize will be given to any girl who has not worn a new hat within the last week. Sorry the prize remains unclaimed.

Ran into C. Melville Walker out selling bonds, we suppose. Said everything was going along about as usual over at the Law School.

Ask Frances Randolph what she thinks of "Cupid."

What constitutes a quorum? What is a proxy, are a few of the questions that worried the learned heads of members of the council at its recent meeting, so we have been told. Rumors of filibustering were heard, too.

CENTRAL ALUMNI DANCE

The loyal Alumni of Central High School are invited to rally around and uphold the honor of the old classes. Yes, the Alumni will have a dance in the school armory April 5, at 9 p. m. Tickets may be secured from Ronald Marquis at the treasurer's office for the sum of \$1.50.

LAW JUNIORS TO DANCE

At a recent meeting of the Junior Law Class it was decided that some sort of a class party should be given in the very near future, and as a result a committee was formed, of which Samuel Markley is chairman, Adele Makins, secretary, and Harry Friedman, treasurer, to decide upon the form of the affair. While no definite statement has as yet been made by the committee, it is rumored that the affair will be a dance and will be held on Monday evening, April 16th.

FIRST FRAT BOWLING GAME WON BY S. P. E.

Final Game Will be Played by End of the Week.

The Interfraternity Bowling League opened its season the latter part of last week with seven teams competing. In place of the usual elimination games between each fraternity, as was previously held, it was decided that each would roll two games each on two different nights, and the fraternity rolling the highest accumulated score would be acclaimed the winner of the trophy.

The first night of competition resulted in Sigma Phi Epsilon leading with a total of 938. The final games will be rolled the last of this week, if possible, so that the winning fraternity may be presented with the trophy at the Interfraternity Prom.

The results of the first night were:

Sigma Phi Epsilon.....	938
Phi Alpha Delta.....	910
Sigma Chi.....	877
Sigma Nu.....	866
Delta Tau Delta.....	836
Phi Sigma Kappa.....	824
Kappa Sigma.....	808

FRATERNITIES DANCE AS LENT PASSES

Following on the heels of Lent and with the usual Easter vacation, G. W.'s fraternities are celebrating after a long and tedious constraint. Dances extending over Saturday, Monday, and Tuesday followed by the Inter Fraternity Prom on Thursday of the same week proves an exceptionally attractive program on the social calendar of the University.

Sigma Phi Epsilon will have a formal dance Saturday, March 31.

Theta Delt will have their spring party April 2, Easter Monday night.

**BASEBALL SQUAD BEGINS
WORK UNDER CRUIKSHANKS**

All Boys Wishing to Try for the Team
Are Asked to Report at Once.

A George Washington baseball squad, recruited chiefly from the Engineering College, and coached by B. C. Cruikshanks, has already begun hard practice. A good team to represent the University in baseball this spring is assured. Uniforms have been purchased for the team.

Practice is held four times a week, and a large number of promising players have reported. Beginning March 31st the George Washington team will play games regularly every Saturday. The schedule has not yet been completed, but will be published as soon as possible.

Among those reporting for practice are Walters, Cruikshanks, Maytum, Giddings, Lyons, Gould, Mitchell, Brown, Goldsmith, Endifrow, Brumbough.

Dean Miller, Dean of the Engineering College, asks that any man in the University report for practice who wishes to play baseball. This means students in every department of the University.

LEGAL DINNER POSTPONED

Because of a misunderstanding among Washington newspapers the Phi Delta Phi dinner, which was to be held last Saturday night, has been postponed. Mr. George Clark Ober, president of the fraternity, announces that the affair will not take place until sometime next fall.

NOTICE TO GIRL SWIMMERS

The Girls' Swimming Team of George Washington University will be represented at the South Atlantic Championship Meets by a team, consisting of Beatrice Woodford, Thelma Hord, Louise Strother, Kitty Hough, and a fifth member chosen from the members of the squad who have not as yet tried out.

WOMEN'S LEGAL CLUB MEET

The regular meeting of the Women's Legal Club was held at the Law School Monday, March 26th, at 8 p. m.

It was decided that since the last candy sale held at the Law School on Monday, March 26th, proved to be a success, due to the untiring efforts of the committee, several such sales be held, the proceeds of which is to be used for the furnishing of the Girl's Rest Room.

The main business of the evening was the discussion of a resolution proposed by the Research or Information Committee on Appointments for women in legal fields throughout the United States, to the effect that there be established an employment agency in the school to which members of the Legal Club and graduates may apply for legal positions.

PERSONALS

Annette Steele will go to Mechanicsburg, Pa., to spend Easter vacation with her mother.

Pi Beta Phi has had three cookie shines recently, two of which were for Cornelia Clark and Bee Tate. For those who do not know, a cookie shine is a Pi Beta Phi announcement party.

Bee Henning has returned to Washington after an interesting trip to New York City.

Bill Becker has gone to New York for Easter vacation. During his absence Leonard Hall, dramatic critic of the News, will coach rehearsals for the "Charm School."

Agnes Messer and Estelle Siegler are making plans to attend Cornell Summer School.

Professor Doyle will be Dean of Romance Languages.

Mary Olive Ames has returned from Williamsburg, Virginia, where she was the guest of Professor and Mrs. Patison.

Jean Jussen, Berkeley, California, ex-'22, has come to Washington to attend the wedding of Alice Watts and "Minnie" Hostler, both of whom are former George Washington students.

Foster Hagan, February, '23, devotes his time to work in the Graduate School and furthering the "back-to-the-land" movement propounded by one of our earliest reformers.

Orion Lake entertained an automobile party Friday. Betty Bigos and Frances Randolph were two of his guests.

George Washington is well represented in Indiana Colleges by Ellen and John Littlepage at Indiana University and Bill Banville, Purdue University.

Delta Zeta announces the pledging of Louise Hiatt.

Theta Delta Chi will have a house dance Easter Monday.

Phi Mu and Alpha Delta Pi will entertain at tea dances Easter Monday, the former at 2400 Sixteenth Street, and the latter at the Kappa Sigma House.

One wonders how much Dick McPherson controls the interest in the Gatlin Settlement House, when one finds Sunshine Harris collecting pennies for said house.

The pledge who collected \$1.75 will have to do better to satisfy the increased appetites of two prominent members who have been indulging in spring baseball on the campus.

A GREETING TO YOUTH

Dedicated to Circulo Espanol.—A translation from the Spanish.

Oh youth, a spring in blossom,
Holst thy dream-bespangled banner,
The resplendent standard of idealism,
For it is the culmination of triumphs
On the lofty pinnacles of effort.

Laugh and dream as befits the age of youth,
Sentiment for sentiment's sake, love for the sake of love,
A dream without end, without rule, without law,
Never bows before sadness, or before a king!
Such is the feverish folly of our youthful days.

Glories and ideals, all are ours,
Great aspirations arise in our soul,
The blood in our veins bounds boisterously,
And everything in the universe proclaims
The vigor and ardent love of youth.

We laugh at the life of foolish pleasure,
Traversed by our ancestors of yore,
We drink the sweet nectar and ambrosia
Of honeysuckle and jasmine blooms,
Of roses adorning the wayside of our native heath.

We enjoy the sweetness of a dream divine,
The loving eyes of our parents,
Constantly do they behold us with stern regards;
Let us love the aged and our forefathers,
For they were once youths like ourselves.

In the hallowed day of springtime,
Learn new destinies in glory,
Store up the offerings of the beaten path,
For experience teaches new ideals,
And points out new and glorious prospects!

L'Envoi.

To thee, lusty youth,
To thee who embodyst songs of glory,
To thee who hast the gift of dream and laughter,
To thee, a spring in blossom,
Do I offer the wealth of a hymn of love,
Praise and health!

**GIRLS' DEBATING TEAM
DEFEATS SWARTHMORE**

Local Team Uphold Merits of the Ship Subsidy Bill.

Last Friday evening, at the Auditorium of the Y. M. C. A., the Women's Debating Team of George Washington University met and decisively defeated the team from Swarthmore College on the subject of the "Ship Subsidy Bill."

The Hatchette team, consisting of Clara Cain, Charlotte Hankin, and Isabelle Yates, agreed with the congress that such a bill should not become a law, and before the evening was over they successfully convinced the judges that such should be the fate of "so unpracticable a measure."

Col. Walter C. Clephane presided as chairman, while the judges consisted of Hon. Justice Bally of the District Supreme Court, Mrs. Mabel Walker, Willebrandt, Assistant Attorney General, and Mr. Ralph C. Routson, staff assistant, U. S. Veterans' Bureau. A reception was held at the Acacia House after the debate.
